

COVID-19 VACCINATION PROTOCOLS FEBRUARY 2022

All members and guests are required to:

- Book their accommodation, including for work parties, via our online [booking system](#)
- Provide proof of COVID-19 vaccination to our Booking Officer prior to making your booking
- Sign in via the QR code on arrival at the lodge.

In line with Opal Ski Club requirements, all personnel over the age of 12 must be fully vaccinated in line with Victorian Government COVID-19 mandates in order to enter the lodge. Please show our Booking Officer your vaccination status before you make your booking. You'll not be allowed to enter the lodge if you're not fully vaccinated and will not be able to make a booking. If you have a medical exemption from your doctor, please inform us and you'll be asked to provide proof in the form of a medical certificate. Opal Ski Club will work with members on a case by case basis to determine the safest way to protect you and other members in the event a member cannot be fully vaccinated.
